

LOCAL FIREMEN  
HELP TO FIGHT  
\$200,000 BLAZE

Flames originating near a lumber pile in its tin shop destroyed the Shenandoah Floral Manufacturing Co. plant in Franklinton, near Dillsburg, Thursday night, and for a time threatened three adjacent homes. Two firemen suffered minor injuries and were treated by a doctor.

Gettysburg firemen responded to three calls from Franklinton. Shortly after 6 o'clock Gettysburg received its first appeal. A truck with four firemen was soliciting donations for its festival from residents along the Harrisburg Rd. Instructions were radioed to this crew to rush to York Springs and stand by for further calls.

**Fire Police Called**  
At 9 o'clock Franklinton firemen asked for Gettysburg fire police and lighting equipment, power lines in that community having been burned out. Charles Culp, chief of the local fire police, and 12 men and the local rescue truck rushed to Franklinton for emergency duty. The portable light plant on the rescue truck was used to light the fire-fighting area.

At 11 p.m. Gettysburg was asked to send its ladder truck to Franklinton. Fifteen men accompanied this piece of equipment.

The truck and crew at York Springs were recalled after several hours standby duty. Other local firemen returned home at 3:45 o'clock this morning.

Hampered by lack of water, firemen from 11 fire companies resorted to wells, a stream a half mile away and fire truck booster tanks to keep the flames from the homes.

**Cans of Paint Explode**  
The flames, which were still burning five hours after the fire started, were fed by stocks of finished baskets on the third floor, exploding cans of paint in the paint shop, and much raw materials throughout the structure. Luckily, 700 gallons of kerosene and 2,000 gallons of gasoline at the rear of the structure escaped the fire.

Better than 75 per cent of the walls of the structure had collapsed by 11 p.m. and firemen were debating the demolition of the 50-foot wide front wall as a precaution.

**Loss \$200,000**  
Assistant Fire Chief King of Dillsburg used a 15-foot pole to prod loose protruding cinder blocks which posed a threat to fellow firemen and spectators. King narrowly escaped injury himself when the brick facing at the front of the building collapsed as he continued his self-imposed chore.

Shortly after the fire broke out at 6:30 p.m., power poles with transformers blazed up, leaving the town (Continued on Page 9)

75 SCOUTS GOING  
TO CAMPOREE  
OVER WEEKEND

Seventy-five Black Walnut District Boy Scouts are scheduled to take part Saturday and Sunday in the annual camporee to be held by the district at the Milton Berger Camp Site, off Route 233, between Caledonia and Hunters Run.

Elmer J. Johnson, of the Air Force ROTC staff at Gettysburg College will be camp director, assisted by Charles S. Harris, field scout executive for this area. The scouts will register and set-up camp from 1 to 5 o'clock Saturday afternoon according to the scheduled prepared for the camporee.

A highlight of Saturday evening's events will be a campfire program from 8:30 to 9:30 o'clock to which the parents of the scouts are invited.

**Plan Night Hike**

From 5 to 6 o'clock Saturday night, the scouts will prepare and serve their suppers and from 6 to 6:30 o'clock will be a clean-up period. Both the cooking and the clean-up will be inspected. From 7 to 8 o'clock Saturday night the scouts will take part in games and from 8 to 8:15 o'clock a retreat ceremony will be held. From 8:15 to 8:30 the scouts will prepare skits and stunts for the campfire program.

A new feature of the camporee will be a night hike to be held from 9:30 until 11. Taps is scheduled for 11 o'clock.

Sunday's program begins with reveille at 7 o'clock in the morning, followed by a flag raising program at 7:10. Preparation and serving of breakfast and clean-up of the camp is scheduled from 7:15 to 8:30 o'clock Sunday morning, with the period to be one of inspection. From 8:30 to 9 a canteen will be conducted. From 9 to 10 o'clock the scouts will attend church services, and then from 10 to 11 o'clock a talk on snakes and their habits will (Continued on Page 6)

\$200,000 Franklinton Fire

This picture of the \$200,000 fire that destroyed the Shenandoah Floral Manufacturing Co. plant at Franklinton was taken early Thursday evening by Miss Marlene Strayer, Dillsburg, R. 1. Gettysburg and 11 other fire companies were called to the scene. This view shows smoke and flames pouring from the front section of the plant with the rear already in ruins.

HOME AUXILIARY  
SETS JUNE 26  
AS VISITING DAY

The Adams County Home Auxiliary set Saturday, June 26, as Visitors' Day; accepted several donations, and reviewed committee reports Thursday afternoon in a regular meeting held at the County Home.

Mrs. Lloyd Klinefelter, chairman of the Visitors' Day committee, announced that a program of entertainment has been arranged on that date from 12:30 p.m. until 7:30 p.m. with recorded music at the supper hour. She requested the cooperation of personnel who comprised the "Visitors' committee last year.

The need for frames and glass to continue the picture framing project now being conducted in the Men's Building was disclosed. Completed items will go on sale at Visitors' Day.

**Announce Donations**  
The Auxiliary heard that the Sewing Committee will discontinue weekly visits to the County Home for the summer, but will check periodically the supply of material and provide special assistance.

The sewing committee announced that due to "generous donations of material" only \$13.89 of the \$15 allotted for this project has been spent. The \$15 allotment also covered the cost of materials for the (Please Turn to Page 6)

Eli Lock Marks His 30th  
Anniversary In Business Here

**MR. AND MRS. LOCK**  
Eli Lock, who came to Gettysburg as a 20-year-old youth on Friday, May 14, 1924, today was celebrating his 30th anniversary in business at 42 York St. Thirty years ago today Mr. Lock took possession of the property which had been occupied by the Hoffman House and the old Lincolnway theater there among his neighbors. They have been gone for years but Eli Lock's shoe repair shop has been doing a steady business at the same stand for three decades and Eli now numbers among his customers many "second generation" folk who come to him to have their footwear repaired.

Mr. and Mrs. Lock were not planning any special celebration of the anniversary but were receiving congratulations from customers and neighbors.

C. O. DUNBAR, 58,  
FRUIT RESEARCH  
SCIENTIST, DIES

Charles O. Dunbar, 58, horticulturist who initiated phases of the research program at the Arendtsville State University Experimental Station, died unexpectedly of a heart attack Thursday at his home in Hancock, Md.

Dunbar, the first resident horticulturist at the Arendtsville laboratory after it was reorganized in 1937, was employed as a horticulturist at the University of Maryland fruit laboratories in Hancock at the time of his death.

As a member of the Pennsylvania State University staff, he served in Adams County between 1937 and 1944, residing in Gettysburg and Arendtsville. His early work at the fruit experimental station there was instrumental in obtaining information on the suitability of various grasses and legumes as orchard cover crops in this area. He also made extensive observations on the performance of new peach varieties being introduced by the New Jersey experimental station to determine their suitability for growth in south-central Pennsylvania.

**Funeral Saturday**  
The deceased, a native of Pittsfield, Mass., was considered an authority on orchard cover crops, fertilization of orchards, and new peach varieties. He served on the staffs of the University of Massachusetts, the University of Connecticut, and the Pennsylvania State University before going to Maryland in 1945.

Dunbar, who had gone about his regular duties, Wednesday, was stricken at home about 8:30 o'clock Thursday morning. An associate said he had suffered a light heart attack about a year ago.

His survivors include his wife, a son, and daughter.

Funeral services at the Hancock Presbyterian Church Saturday afternoon at 2 o'clock. Burial will be in Westfield, Conn.

MRS. GIBSON'S  
4TH GRADERS  
WIN CONTEST

Mrs. Margaret Gibson's Fourth Grade room at High Street School has won the "perfect tooth" contest in the local schools this year and will receive a plaque and blue ribbon this afternoon at the annual party at the high school for the pupils who secured "perfect tooth" slips from their dentists.

Breaking all previous records attained in the last four years, 735 boys and girls in the public and parochial schools turned in slips this year showing that all necessary dental correction work had been done for them.

Mrs. Gibson's room had a record of 94 per cent. Mrs. Kathleen Trostle's Sixth Grade room at Lincoln School placed second with 91 per cent and Miss Beatrice Pfeiffer's fifth graders at Lincoln School placed third with 88 per cent. The second and third place winners will be given ribbons.

**Parade To Party**  
The party this afternoon will be preceded by a parade from Lincoln Square led by the Sixth Grade Band in its first parade experience. Robert Zeigler will be directing the band.

At the school Dr. Lloyd C. Kee-fauver will be master of ceremonies. There will be a marimba solo by Connie Riley; a toe-tap dance by Dianne Wolf; an accordion duet by Dolores Adams and Debbie McCullough; magic act by Garry Wentz and an acrobatic dance by Judy and Lewis Crowl. Jackie Heikkinen will speak as chairman of the student committee on the contest and refreshments will be served.

Adults assisting will include Charles Gentzler, Mrs. Barbara Campanaro, Mrs. Trostle, Miss Grace Sachs, Mrs. Dorothy Sprigg, Miss Helen Culp, Mrs. Bertha Feather, Mrs. C. A. Sloat, Mrs. Helen Eden, Mrs. Gibson, Mrs. Robert Kenworthy, Mrs. Clyde Topper and Mrs. Murray Goldsborough.

The Gettysburg Rotary Club is the sponsor of the project which is conducted under the supervision of Mrs. Kathryn W. Diehl, school nurse.

FIND LOST GLASSES

Two pairs of eye glasses have been turned in to borough police by the persons finding them. The one pair has shell rims and is in a brown case. The other has turquoise rims, apparently designed for a woman, and is in a red alligator skin case.

Road Work Changes  
Union Twp. Polls

The wet weather and the renovation of a portion of the Littlestown-Hanover Rd. have caused a change in the Union Twp. voting place.

The county election board, notified this morning by Union Twp. officials that the road to the school house used for years as an election place in Union Twp. is impassable, arranged for use of the former store room at Sell's Station to be used Tuesday. The voting place will be open from 8 a.m. to 9 p.m., Tuesday.

INSTITUTE DATE  
MAY BE MOVED  
TO LATE SEPT.

The possibility of holding the annual Teachers' Institute late in September was explored Thursday afternoon at the first of a series of pails of the county's schools with Acting Superintendent of Schools H. Edgar Riegle.

The session, held in the superintendent's office at the Court House, ranged over a number of school topics, with the county superintendent reporting he hopes to hold similar meetings at frequent intervals to discuss all types of school matters with the supervising principals who head the various school systems under the county office.

Antique Car Club  
Coming On Sunday

The Gettysburg Region of the Antique Automobile Club of America will conduct its annual Battlefield tour and picnic on Sunday.

The ancient car fanciers will meet in Lincoln Square at 10:30 a.m. and at 12 noon will begin the tour with stops at the National Museum, Pennsylvania Monument, Big Round Top, picnic at Longstreet's Headquarters and end the tour at the Eternal Light Peace Memorial. Drivers and passengers will dress in the costume in the vintage of the vehicle in which they are riding. Approximately 75 members in some 40 antique cars are expected to attend.

Ernest H. Simpson, president of the Gettysburg Region, expressed the gratitude of the Automobile Club for courtesies extended by Burgess William G. Weaver, the Gettysburg Police Department, the National Park Service, and Joseph Rosensteel, director of the National Museum. He also thanked Mr. and Mrs. S. F. Swope for use of the picnic grounds.

SHOW SLIDES OF  
U. S. UNIFORMS  
HERE SATURDAY

Four hundred colored slides, depicting the uniforms of American history from 1600 to 1953, will be shown Saturday afternoon in the Hotel Gettysburg Annex to the general public as it awaits bus transportation over the Battlefield as part of the Armed Forces Day program.

The slides were made by Maj. Alex Lawson, A.U.S. ret., Thorofare, N. J., and will be explained by his son, John Lawson, a student at Gettysburg College.

The exhibition will be open to the public from 1 to 4 o'clock Saturday afternoon. Buses will leave the annex at approximately 1:30, 2, 2:30 and 3 o'clock for the tour of the field.

During the tour three stops will be made. At the Eternal Light (Continued on Page 6)

Birdes A. Jacobs, 82,  
Of East Berlin, Dies

Birdes A. Jacobs, 82, former burgess and historian of East Berlin, who resided with his brother-in-law, David Border, W. King St., East Berlin, died at 5:50 a.m. Thursday in the Hanover General Hospital.

A lifelong resident of the East Berlin area, Mr. Jacobs had been employed as a bookkeeper for the Hanover Ice and Locker Company until his retirement about nine months ago. He served as historian for the Jacobs clan and operated Jacobs' Mill, near East Berlin. He was an active member of the Adams County Firemen's Association and the East Berlin Fire Company.

Surviving are a sister, Mrs. Nettie Baughman, Dover, and two nephews. He had been a member of the Reformed congregation of Holtschwamm Union Church.

His pastor, the Rev. J. Keller Brantley, will officiate at funeral services Sunday at 2 p.m. at the Emig Funeral Home, East Berlin. Burial will be in Holtschwamm Cemetery. Friends may call Saturday evening at the funeral home.

ARREST YORKER  
ON CHARGE OF  
DRUNK DRIVING

Cooperation between borough and state police led to the arrest of John C. Landis, 69, York, and his confinement in the Adams County Jail Thursday afternoon.

Driving a 1950 sedan out of Race Horse Alley, Landis crossed to the wrong side of Carlisle St. Thursday afternoon and struck a parking meter and a traffic sign post. He then "gunned" his motor and drove around Lincoln Square and east on York St. at a high rate of speed.

Borough police phoned state police who radioed to Sgt. Joseph Temple, in a police car at New Oxford.

Ignores First Signal

The state police sergeant saw the vehicle approaching him a few minutes later. Sgt. Temple said the car was in the middle of the road and failed to stop when "waved down" the first time. After a chase, Temple passed the other car and succeeded in halting it.

The sergeant then drove the operator of the car to the Warner Hospital here where he was pronounced under the influence of intoxicants.

Temple charged Landis before Justice of the Peace John H. Basehore, with driving while intoxicated. Borough police brought a charge of hit and run against Landis before the justice in connection with the damaged meter and sign post.

Landis was placed in the county jail in default of bail for a hearing at 2 o'clock Saturday afternoon.

ROYAL JEWELERS  
GRAND OPENING  
THIS WEEKEND

Royal Jewelers, relocated in the newly remodeled building which once housed the Citizens Trust Company at 42 Baltimore St., will hold its "grand opening" Saturday, according to an announcement in a full-page display advertisement in today's edition of The Gettysburg Times.

Kenneth Jacobs, district manager of the 22-store Royal Jeweler chain, said that the new store, 15x50 feet, "will place a large city jewelry store within a small-size community."

He added that the store will add a line of luggage, dinnerware, and electric fans to its sales line.

Ernest Oyler, store manager, said present personnel will be retained. Renovation of the once red sandstone fronted building—a landmark of historic Gettysburg—completely altered its former appearance. The front will be covered with maroon and cream porcelain enamel.

The building has four display windows. A flickering neon sign and a four-foot, double-faced electric clock will be installed in the near future. Royal Jewelers occupy the southern half of what has been partitioned into a double-store area. The building was leased from N. A. Mell-gakes and Z. N. Samios. The store is air-conditioned and has a direct fluorescent lighting system, new furnishings, and an acoustically-tiled ceiling.

Renovations to the building were started January 11 by I. H. Crouse and Sons, general contractors, Littlestown. The removal of massive sandstone blocks from the face of the building extended over a week. Office rooms are on the second floor.

STOCKS INCH UP

NEW YORK (AP)—The stock market inched ahead today with some difficulty. Scattered minus signs running to around a point provided a brake on an advance that extended to between 1 and 2 points at the best. Higher stocks included Seaboard Railroad—Texas Co., American Telephone, Republic Steel, General Motors, Allied Chemical, American Can and Vanadium.

Gov. John S. Fine Bypasses  
State GOP Chairman Taylor

HARRISBURG (AP)—Gov. John S. Fine today bypassed State Sen. M. Harvey Taylor, Republican state chairman, and designated Edward A. Herre Sr. to represent him on Dauphin County patronage matters.

Taylor, long-time Dauphin County Republican leader, has been openly at odds with the governor for months.

Fine made the break clean in the Herre designation. Herre, he said, will be asked to accept an appointment as Dauphin County controller to fill a vacancy.

Yesterday Fine named Oscar Lingle, Harrisburg, to become Dauphin County Treasurer to fill a vacancy. Taylor was not consulted on the Lingle appointment.

In a statement, Fine said:

WILL OBSERVE  
HOSPITAL DAY  
HERE ON SUNDAY

"Hospital Day," a day devoted to public inspection of the Warner Hospital, will be observed Sunday afternoon from 2 until 4 o'clock.

Walter B. Dillon, administrator; doctors, nurses, and other personnel will be available to guide the public on an inspection tour of hospital facilities.

Dr. David C. Stoner, president of the Adams County Medical Society, will present the awards to the winners in the recent Health Poster contest conducted by the Society and its auxiliary.

Administrator Dillon reported that from June 1, 1952, to May 31, 1953, the institution's calendar year, the Warner Hospital had 2,805 admissions, 898 babies were born, served 87,697 meals, employed 85, and discharged 9,039 patients with 10,616 treatments. The average patient stay was 7.6 days.

Expense Exceeds Income

American Association statistics reveal that nationally income in 1953 of non-profit hospitals from their patients totalled \$1,921,429,000 while expenses were \$2,079,692,000. The difference represents a loss of \$158,263,000 which must be covered by donations or endowments.

The report also showed that the national average cost per patient day during 1953 was \$21.09 against average cost in 1952 of \$19.55. The increase was due to increased cost of supplies and salaries which hospitals must pay.

Registered hospitals in the United States cared for more than 20,000,000 patients in 1953—the greatest number of any year in hospital history. On an average day in 1953 (Continued on Page 9)

20 FINALISTS  
IN ROAD-E-O TO  
GET FREE TRIP

An expense-free trip to Pittsburgh and an inscribed plaque will top the list of gifts to be awarded to the first 20 county high school finalists in the Gettysburg Junior Chamber of Commerce-sponsored "Road-e-o" driving contest, Sunday, starting at 1 p.m., on the Acme parking lot.

Final plans for the teen-age driving competition, a progress report on the "Flight to Gettysburg" tour by the Aircraft Owners and Pilots Association, and a recounting of the Pennsylvania Jaycee Convention in Philadelphia, April 30-May 1, occupied the Jaycees Thursday night in a regular meeting at the Engine House.

Francis Small, "Road-e-o" co-chairman, said the judges will be: Donald Ernst, Biglerville, and Clayton Evans, Littlestown, high school driving instructors; William Crumrine, Hanover, schoolteacher, and Daniel Miller, borough police officer. Winners will be selected on the (Continued on Page 9)

Wins Third Place  
In Legion Contest

Miss Anna McDannell, Gettysburg High School senior, took third place in the statewide American Legion essay contest, according to an Associated Press dispatch from Harrisburg.

Miss McDannell, a daughter of Mr. and Mrs. David McDannell, R. 4, near Granite Station, was the winner in the Adams County American Legion essay contest. The first place winner in the state event was Marilyn Zabuskay, Forty Fort.

"Open House" Brings  
Hundreds To Schools

Hundreds of parents and friends of Gettysburg elementary school pupils thronged the three grade school buildings Thursday evening for the annual "open house."

At High Street, Meade and Lincoln buildings, teachers and pupils had on display samples of classroom work completed during the year while much of the wall space was devoted to examples of the art work completed in the current school term.

The teachers at the three building and Richard Krick, art instructor, arranged for the display.

The PTA conducted a food sale at the Lincoln building during the evening.

\$3,200 TRUCK  
CRASH BLOCKS  
HARRISBURG RD.

Damage amounted to more than \$3,200 and traffic on the Gettysburg-Harrisburg Rd. was blocked for hours when a tractor-trailer ran off the road and upset three miles north of Clear Springs this morning at 4:10 o'clock.

State police from the local substation, who were on duty at the scene until noon, said the driver of the truck, LeRoy Brown, 30, Harrisburg, told them he saw something moving on the road ahead of him, and began applying the brakes.

The large truck-trailer, loaded with air conditioning units bound from the Binghamton Warehouse and Terminal Co., Inc., New Cumberland, for Washington, D. C., began to pull to the right, Brown told police.

Spills Load On Road

Police said the truck-trailer traveled on the berm for about 200 feet, ran into a culvert, plowed through a garden of Maurice Bishop, knocked down a pole of the York Telephone and Telegraph Co., and then slid back onto the road, upsetting and spilling the heavy crates loaded with the air conditioning units onto the highway.

When the truck and air conditioners came to rest, a portion of the north bound lane of traffic remained open. Vehicles could pass by driving with one wheel on the highway and the other on the berm, police said. About 15 minutes after the accident, another large truck-trailer attempted to go around the wrecked truck in that fashion. Between the weight and the mud, that big truck broke an axle as it was (Continued on Page 2)

## FROST INJURY AND BROWN ROT HIT CHERRIES

Considerable brown rot is developing on frost injured flowers in some sour cherry orchards of the county, County Farm Agent Frank S. Zettle said today in calling for the first cover spray on sour cherry trees.

The brown rot, he said, is spreading to the young cherries. Cherry leaf spot is coming from both old leaves and infection on new leaves, he said, and "spray protection must be maintained if leaf spot and brown rot are to be prevented from becoming severe in 1954."

The first cover spray is to be placed ten to 12 days after the start of the last spray.

Where brown rot is present the dilute spray, per 100 gallons, should include 1 1/2 pounds of Ferbam plus either six pounds of flotation sulphur paste or four pounds of a 70 per cent sulphur paste. For concentrate sprays the amounts should be tripled.

Where brown rot is not common on flowers or young cherries the spray can include, per 100 gallons of dilute spray, either two pounds of Ferbam, or 1 1/2 quarts of Glyodin (Crag 341) and two ounces of fresh spray lime. For concentrate sprays the amounts should be tripled.

## MOTHERS AND DAUGHTERS DINE

The annual Mother and Daughter banquet of St. Mark's Evangelical Reformed Church was served Thursday evening in the Parish Hall of Trinity Church here by the members of Zwingli Circle. A roast turkey dinner was served.

Mrs. Arthur Dykman was the toastmistress. The invocation was pronounced by Mrs. Ralph Schuchart of Westminster, Md., president of St. Mark's Women's Guild.

Harriet Shull gave the toast to the mothers and Mrs. L. U. Collins gave the toast to the daughters. Nancy Shull played a piano solo and Mrs. Rudolph Johnson sang "Mother, My Dear."

The address was given by Mrs. Jennings B. Collins who used as her theme "Famous Mothers." Mrs. Collins was presented with a corsage before she spoke.

Awards were made as follows: the oldest mother, Mrs. L. U. Collins; the oldest lady, Mrs. Emma Snyder; the mother with the most daughters present, Mrs. Samuel Shull with five daughters; the youngest mother, Mrs. Alton Boyd, and the mother with the youngest child, Mrs. Arthur Dykman.

Dr. and Mrs. Howard Schley Fox were guests of the Guild at the banquet.

## Dr. Smoke To Preside Over State Meeting

Dr. Kenneth L. Smoke, head of the psychology department of Gettysburg College, will preside over the general sessions of the Pennsylvania Psychological Association which are to be held Saturday at the Hotel Penn Harris in Harrisburg. In concluding his term as president of the association, Dr. Smoke will give an address at the noon luncheon entitled: "On Being a Philosophical Psychologist."

The morning program includes an address by Dr. Hadley Cantrell, chairman of the psychology department at Princeton University, who will speak on "Experience and Behavior as Transactions." He will be followed by Dr. Ivan D. London of the psychology department of Brooklyn College who will speak on "The 'New Soviet Man'." Discussion periods will follow each address.

A business session and election of officers will be held in the afternoon. Dr. Victor U. Snyder, a graduate of Gettysburg College in the Class of 1935 who is now on the staff at Penn State University, is president-elect of the Association.

The Division of School Psychologists met Thursday and today, and the Division of Clinical Psychologists will hold a dinner meeting this evening before the general sessions of the annual meeting of the association on Saturday.

## THRONG GREET BRITISH QUEEN

PLYMOUTH, England (AP)—Hundreds of thousands of Britons lined England's south coast today to watch a formidable force of 28 British warships escort Queen Elizabeth II home from her six-month tour of her Commonwealth.

Crowds jammed the cliff tops and seacoast villages for a distant glimpse of the stately parade through the English Channel. Those with binoculars could see the royal yacht Britannia, gleaming red and white amid the cluster of naval galleons.

Aboard the trim yacht were Elizabeth, her husband the Duke of Edinburgh and their children, Prince Charles and Princess Anne.

**All Day Voyage**  
Shortly after 8 a.m. the naval armada, headed by the huge battleship Vanguard, rendezvoused with the Britannia, which had spent the night at anchor in St. Austell harbor on the Cornish coast.

The vanguard and the fast minelayer Apollo fired a thunderous welcoming salute. Then the rest of the war vessels swung into position on either side of the Britannia for the majestic procession through the channel.

The voyage around England's south coast will take all day. The royal family is expected to reach the mouth of the River Thames tomorrow morning. The Britannia will bring the Queen up the stream to London.

passing and the road was completely blocked.

Police finally secured heavy crane equipment from the L. B. Smith Co. at Lemoyne, to lift the heavy trucks and equipment from the highway by about 9:30 o'clock this morning. Then traffic continued to be blocked until a new telephone pole could be placed.

Traffic was diverted at Dillsburg and below Clear Springs through Franklintown, which by that time had cleared the traffic jam caused there by the fire Thursday night.

Dillsburg firemen, coming back from the Franklintown fire, used the hoses to scrub oil and mud from the highway at the scene of the wreck. The driver of the truck suffered a laceration of the right arm, and numerous bruises from being tossed about in the cab of the truck as it turned over. He was treated by a Lemoyne doctor.

Damage was estimated at \$400 to the truck, \$1,500 to the trailer, \$150 to the telephone pole, \$150 to the garden and more than \$1,000 to the air conditioning equipment.

## LEGION WOMEN TO SELL POPPIES

The Ladies' Auxiliary to the Ockrisnyder Post No. 321, American Legion, will be in charge of the annual sale of poppies made by disabled veterans, in the community this year. Poppies were distributed to the members at their monthly meeting on Wednesday evening at the post home, E. King St. The poppies are being placed throughout the business places of the community and the Auxiliary members will be selling them throughout the business section of the town on Friday evening, May 28, when the memorial parade and services are held. Each year the VFW Auxiliary and Legion Auxiliary alternate in conducting the poppy sale.

The meeting was in charge of Mrs. Ernest R. Sentz, president. It was announced that the unit will present an Americanism award to a sixth grade student of the local public school, at the annual sixth grade promotion exercises on Friday, May 21. Plans were made to attend the quarterly meeting of

Richard Gladfelter and won by Mrs. Guy McCabe. Miss Janet Flickinger was chairman of the May program committee. At the conclusion of the meeting, refreshments were served by the hostess, Mrs. Ralph Flickinger.

## MANY SUFFER POOR HEARING

Nearly ten per cent of the Commonwealth residents provided with services by the State Bureau of Rehabilitation last year were afflicted with hearing defects which jeopardized or made impossible their gainful employment, it was reported today.

Mark M. Walter, Bureau Director, said 321 deaf and hard of hearing cases, or 9.2 per cent of the total given complete rehabilitative services during the past 12 months, were given proper medical attention, guidance or placement counseling, so they could accept remunerative jobs and become self-sufficient citizens.

Roy E. Zinn, manager of the Bureau's Harrisburg District, said 22 of the hearing cases were from the local area which comprises Adams, Cumberland, Dauphin, Franklin, Juniata, Lancaster, Lebanon, Mifflin, Perry, and York Counties.

Most of the deaf and hard of hearing individuals rehabilitated through the public program were unemployed when services to them were begun, according to Zinn. Some of them were receiving public assistance, many were dependent on their families or receiving other types of aid. The few who were employed were working in jobs that were temporary, unsafe or unsuitable to their impairment. Virtually the entire group now is making good in carefully selected jobs that are suitable to individual abilities.

The Four County Council on Thursday, June 3, in Spring Run. Mrs. James W. Fager will attend as the unit's delegate. Others who will attend include Mrs. Sentz, Mrs. William Bensil, Mrs. Charles Marker and Mrs. Elmer W. Gall. All members are invited to attend and those who plan to go are asked to contact Mrs. Sentz. Mrs. James W. Fager, coupon chairman, announced that the unit has sent 4,765 coupons to the national headquarters so far this year. Members are urged to continue collecting coupons. Mrs. Sentz thanked the members for assisting with the successful sandwich sale at the Legion minstrel show last week.

Nomination of officers took place and the nomination will remain open until the next meeting on Wednesday, June 9, when election will be held. The hostesses for the June 9 meeting are Mrs. Elmer W. Gall and Mrs. Robert W. Gouker. At the conclusion of the business, refreshments were served by Mrs. William Bensil and Mrs. Charles Marker.

## Make Pledge To Redecoration Fund

The Ladies' Aid Society of Redeemer's Reformed Church made a pledge toward the redecoration of the church sanctuary at the monthly meeting of the Society on Wednesday evening in the church social hall. Mrs. Samuel W. Beck was in charge of the program and she read the 23rd Psalm and offered prayer. There was group singing with Mrs. Edwin G. Miller as accompanist. The Apostle's Creed was repeated in unison. Mrs. Carroll Dodger gave a reading "What Is A Girl?" Mrs. Anna Leach read a chapter from the book "Country Wife," and Mrs. John W. LeGore read an article on "Two Mothers."

Mrs. Clement A. Sneeringer, vice president, conducted the routine business. Reports were given by Mrs. Frank E. Reynolds, secretary, and Mrs. Paul Crabbs, treasurer. It was decided that the Society will not meet during the months of June, July and August. The hostess committee for the next meeting on Tuesday, September 14, includes Mrs. Paul Crabbs, Mrs. Claude Reichart and Mrs. Clement Sneeringer. At the close of the business, refreshments were served to the group by Mrs. Beck, Mrs. Dodger and Mrs. LeGore.

## Library Moves To North Queen St.

The Littlestown Free Lending Library was moved on Wednesday night from the second floor of the Alpha engine house, into the building occupied by LeRoy W. Bish, tax collector, on N. Queen St., near the square. The library is open each Monday evening from 6:30 to 8 p.m. and patrons will now call at the new location. The new "home" for the library was secured through the efforts of Mrs. Cloy I. Crouse, a former member of the library committee who resigned due to her health following a recent automobile accident.

The library is sponsored by the Woman's Community Club of Littlestown and vicinity and the library committee from the club includes Mrs. Joseph R. Riden, Mrs. Beaven Hanlon, Mrs. George P. Smith, Mrs. James Dutterer and Mrs. Anna Leach. Additional members of the library committee are Mrs. F. J. Will and Miss Elizabeth Ann Crouse.

## MORE BIRTHS, FEWER DEATHS

A total of 11 deaths in the district last month was reported today by Ralph C. Geiselman, registrar of vital statistics for the State Department of Health. He noted that the deaths for April were the lowest since September, 1952, when there were ten.

The report showed the April, 1954, tally to be 65 births and 11 deaths, compared to 77 births and 20 deaths for the same period last year.

Total for the first four months of 1954 denoted a birth increase of 36 over the same period last year, and a death rate of 18 less than the initial four months in 1953. Birth and death rates this year for the first four months stand at 321 and 71, respectively. The ratio for 1953 was 285 births and 89 deaths.

Geiselman broke down the district figures in which Gettysburg, Cumberland, Straban, Freedom and Highland are included. Births in April for Gettysburg totaled 26 male and 39 female. Deaths were five male and four female. Straban recorded no births and two male deaths, while Cumberland, Freedom, and Highland Townships had no births or deaths.

Geiselman noted that a measure enacted at the last session of legislature now authorizes the local registrar to write certified copies of the death certificate from the original copy in his possession. Original death certificates are now retained by the local registrar until the fifth day of the month following that in which the fatality occurred. The act applies only to death records, Geiselman said.

## Wedding

Bunty-Kretz

Miss Catherine Margaret Kretz, daughter of Mr. and Mrs. Howard M. Kretz, Hanover, became the bride of Philip Dennis Bunty, son of Mr. and Mrs. Roosevelt Bunty, New Oxford R. 1, Saturday at 8 a.m. in St. Joseph's Catholic Church, Hanover. The Rev. Louis Forng, assistant pastor, performed the double-ring ceremony. Attending the couple were Mrs. Betty Jamison, Hanover, sister of the bride, and Rodney Bunty, New Oxford R. 1, brother of the bridegroom. Joseph R. Kretz, Hanover, brother of the bride, and Richard Bunty, Williamsport, brother of the bridegroom, served as ushers. A reception for about 100 guests was held Saturday afternoon at the bridegroom's home. Mrs. Bunty, a 1951 graduate of Delone Catholic High School, is employed in the office of Lana Lobell, Inc. Her husband, who attended Delone High School, is an employee of Leinhardt Brothers. The newlyweds will reside in the Jordan Apartments, Carlisle St., Hanover.

## Overbaugh-Miller

The wedding of Miss Marilyn Louise Miller, 124 Second St., McSherrytown, daughter of the late Mr. and Mrs. Roy G. Miller, and Bernard Francis Overbaugh, son of Mrs. J. Clarence Overbaugh, 318 Ridge Ave., McSherrytown, took place Saturday at 9 a.m. in Annunciation of the Blessed Virgin Mary Church, McSherrytown. The Rt. Rev. Msgr. Patrick F. McGee, pastor, performed the double-ring ceremony. Mrs. Bernard Henry, organist, played the wedding music and accompanied the soloist, Miss Angela Lawrence.

The bride was given in marriage by her brother, Evan Miller, 211 Second Ave., Hanover. Her attendant was her sister, Miss Elaine Miller. Philip Overbaugh, brother of the bridegroom, acted as best man, and Jerome Overbaugh, brother of the bridegroom, and William L. Bunty, brother-in-law of the bride, were ushers. Following a reception for about 60 guests held in the parish hall, the couple left for a two-week trip to Canada. Mrs. Overbaugh was graduated from Delone Catholic High School in 1945 and is employed in the office of Carmen Shoe Co., Hanover. Her husband was graduated from Mt. St. Mary's College in 1952 and is employed as an accountant for Philip Friedman, York. The couple will make their home at 200 Main St., McSherrytown.

## Groat-Long

Miss Rita Marie Long, daughter of Mr. and Mrs. James L. Long, 128 South St., McSherrytown, became the bride of James Allen Groat, son of Mr. and Mrs. Guy J. Groat, 114 Second St., McSherrytown, May 1 at 9 a.m. in Annunciation of the Blessed Virgin Mary Catholic Church, McSherrytown. The ceremony was performed by the Rt. Rev. Msgr. Patrick F. McGee, rector. Wedding music was provided by the children's choir and Mrs. Bernard Henry, organist.

The honor attendant was Miss Margaret Mary Long, sister of the bride. Richard B. Groat, brother of the bridegroom, was best man. A breakfast for the immediate families was held following the ceremony in the McSherrytown fire engine house.

Mrs. Groat, a 1953 graduate of Delone Catholic High School, is employed by the Sylvania Shoe Co., McSherrytown. Her husband was graduated from the same school in 1951 and is also employed by the Sylvania Shoe Co. They will reside at 123 1/2 Mal. St., McSherrytown.

month, the supervising principal concurred with resolutions made during the last four sessions of the Adams County Teachers' Institute. At the same time the supervising principals pointed out that the holding of a great number of educational meetings around the end of September and beginning of October may prevent any change in the early date for the institute.

Superintendent Riegle was asked to investigate whether leaders would be available for the various institute sessions if it is held at a later date.

## School Census Discussed

The continuing census of all children up to 18, soon mandatory for the school systems, was discussed.

While a number of the county's jointures have been conducting a continuing census over the past several years, others had previously been conducting a full census only every other year or two. Forms supplied by the state for the census were also discussed. The new system goes into effect in 1955.

Forms on which reports are to be filed to the county and state were also outlined. Superintendent Riegle described a number of films available to the joint districts.

## Many Offer Blood For Stricken Girl

PHILADELPHIA (AP) — Unknown friends and sympathizers by the hundreds are rallying to help save the life of six-year-old Connie Raker of McConnellsburg, Pa.

Connie is in St. Christopher's Hospital, suffering from a rare type of anemia from which only one in five children usually survives.

Spokesmen for the American Red Cross said last night that hundreds of volunteers have offered to donate the rare O-negative type blood which Connie needs. The Red Cross and hospital made an appeal Wednesday and they've been deluged ever since, spokesmen said.

On an average, only 7 in 100 persons have the type blood which Connie needs at the rate of a pint a day. The disease hospitalized Connie on April 28.

Although white men learned only in comparatively recent times that malaria is carried by mosquitoes, the Masai, a tribe in Central Africa, have known it for so long that their word for malaria means literally "I have been bitten by a mosquito."

Do not blame John H. Basehore for what the Republican State Committeeman, hand-picked by "someone," did for a Democratic candidate in the 1953 election.

Has it occurred to you that in 1953 when the majorities for the County candidates were materially reduced that it was you who in that year attempted to take the control of Republican Party in Adams County?

Do you recall that in your five attempts to obtain the Republican nomination for the office of Sheriff and Legislator you were nominated ONCE and that one time with a plurality and not a majority of the Republican votes cast?

### FIFTEEN YEARS AGO

Dr. A. R. Wentz Becomes President of Seminary in 1940: Dr. John Aberly and Dr. Herbert C. Altemair. The automatic retirement of Dr. John Aberly as president and member of the faculty of the Lutheran Theological seminary here in August, 1940, and the selection of Dr. Abel Ross Wentz, now professor of church history at the seminary, as Doctor Aberly's successor were announced this morning (May 9) following the annual meeting of the board of directors of the seminary.

At the same session, described as one of the group's most important meetings in many years, the retirement in 1940 of Dr. Herbert C. Altemair, professor of Hebrew and Old Testament literature and religion at the seminary since 1911, was made known.

**Father Stock Improves:** The condition of the Rev. Fr. Mark E. Stock, rector of St. Francis Xavier Catholic church, was reported to be much improved today at the West High street rectory where he has been ill since Monday. He was threatened with pneumonia.

**Hospital Report:** Mrs. Richard Knox, Gettysburg, R. 2, has been admitted as a patient to the Warner hospital. Mrs. Richard Rudisill, Gettysburg, has been discharged as a patient.

**Governor O'Connor Addresses Rotarians At Closing Luncheon:** Governor Herbert R. O'Connor, of Maryland, was the guest speaker at the luncheon at noon today that closed the annual conference of clubs in 180th district of Rotary International.

The luncheon, which was sponsored by the Elizabethtown club of Rotary, was held in the gymnasium of Gettysburg college. Dr. Ralph W. Schlosser, president of the Elizabethtown club, presided.

Several musical selections were presented by Miss Marie Budde, of Littlestown, and Frederick Tilber, of Gettysburg. Their accompanist was Mrs. Paul Kinsey, of Gettysburg.

**Old Timers Recall When Wind Lifted Wabash Hotel Roof:** Tuesday's severe rain and wind storm reminded old timers in Gettysburg of a twister that visited the borough many years ago.

At that time the roof of the Wabash hotel—located on Baltimore street where the Wentz furniture is now—was lifted in the air and tossed over the top of a one and a half story building across the street.

The tin roof landed in the yard of the building on the east side of Baltimore street that was occupied at that time by the Weygant and Homan butcher shop.

**Battle Of Gettysburg News To Army Doctors:** Washington, May 12 —The story of the battle of Gettysburg was recounted Thursday to military physicians from thirty-two countries, and it was news to most of them.

They were delegates to the International Congress of Military Medicine and Pharmacy and the American officers were priming them for a tour of the Gettysburg battlefield, later in the day.

An English officer explained his ignorance of the conflict by saying, "I was educated in Queen Victoria's time and we weren't stressing American history then."

**Chief Wisler Stricken:** Chief of Police Lloyd E. Wisler was taken ill Thursday evening and was relieved from duty about 9 o'clock by Special Officer Paul B. Shearer. The police chief's condition was improved this afternoon and he expects to report for duty at 8 o'clock as usual this evening.

**John Stahl Will Enter West Point:** John C. Stahl, son of Mr. and Mrs. John E. Stahl, York street, received notification Wednesday that he has received an appointment to the United States Military academy at West Point.

Stahl, who is a junior at Gettysburg college, is scheduled to report at West Point on July 1. Former Congressman Harry L. Haines made the recommendation.

Stahl was graduated from Gettysburg high school in 1936. He is majoring in mathematics at college.

## Today's Talk

### FOR ALL OF US!

How few of us realize how much is done and sacrificed to give us comfort and pleasure, and how little credit we give to those who become our benefactors. In the quiet of laboratories thousands of researchers and scientists are forever at work, hoping for solutions to problems that shall mean hope and health to millions.

We reach for our telephone, listen to our radio and TV instruments, and read our newspapers, little thinking of the vast amount of work that has been expended to bring news and entertainment to us merely by the lifting of a receiver or the turn of a button. Think of the long training of artists to make them worthy of a prominent act, and of the many hidden workers, technicians, writers, producers, and endless others who make it possible for us to be instructed and entertained.

If you think it easy to write a novel of a hundred thousand words or so, try it sometime! Most of our novelists went through poverty, hunger, and years of study and discouraging labor before getting even small recognition. Lafcadio Hearn had only one third of normal sight in one eye, and was blind in the other, yet he produced some twenty-five volumes of the most exquisite prose. He often spent hours on the composition of a single sentence. Little do we know of all that went into a great book as we read it.

Many an artist starved, and a few of them went mad because of hunger and lack of appreciation while they lived, but to become immortal after death! Many of them literally wrung out their souls to give comfort and pleasure to us all. How very little we know about the intimate and personal life of William Shakespeare—but what a monument he left in his plays, tapping every phase of human life.

When you sit in the theater, or listen to voices on the air, just think of the long wait and struggle that many had before being selected to perform as stars. How much we owe to them all for what they give to us!

Tomorrow Mr. Adams will talk on the subject: "Poetry's Soul". Protected 1954, George Matthew Adams Service

### HAPPINESS

He builded his happiness out of these:

Birds and blossoms and friendly trees.

Books that stood on a little shelf.

Three or four neighbors, much like himself.

The wife and children who bore his name.

And he asked no favors from wealth or fame.

He found delight in his garden plot.

Knew marigold and forget-me-not.

He walked the hills and he fished the streams.

With friends he trusted he shared his dreams.

He was sometimes merry and sometimes sad.

But he made the most of what joys he had.

He found his thrills in the lesser things:

The joy a blossoming peony brings;

The merry songs and the kindly mirth

Of the gentle women and men of earth.

He thanked his God for the right to live.

And he never asked more than life could give.

Seekers for happiness wander far.

And, oh, how jaded and tired they are.

Forever pursuing the strange new thrill

They never have caught and never will!

But he found friendships and flowers and trees.

And builded his happiness out of these.

## "UNSINKABLE" YACHT IS LOST IN BAHAMAS

MIAMI, Fla. (AP)—The "unsinkable" twin-hulled yacht Venturi lay in her watery grave off Great Isaac Light in the Bahamas today but Gar Wood, 73-year-old speedboat racer and builder, and eight others were safe.

The 188-foot Venturi broke up in heavy seas while returning to Miami from a round trip to Nassau yesterday. Wood, his secretary, his Negro housekeeper and six crew members were rescued.

Wood, who designed the 120-ton craft for use by the Army Air Force in 1944 and reacquired it from the government five years later; his secretary Jean Berry, 24; and the housekeeper, Jodie Rodriguez, were brought to Miami last night. A Coast Guard helicopter snatched them from a lifeboat wallowing in heavy seas about 65 miles east of Fort Lauderdale, Fla.

**Ran Into Storm**  
The others — Capt. C. A. MacCallum, R. B. Staysa, C. J. Berger, J. S. Meister, Harry Folsom and M. Vandenberg, all of Miami — were picked up from small boats by the fishing craft, Jerry Mar, and taken to Great Isaac Light, near the scene of the accident. Plans were to bring them to Miami today by a Coast Guard patrol boat.

"The Venturi was going 22 to 23 knots in deep water when we ran into a bad storm," Wood said. "The waves were high, 10 feet or more, and we came into it so suddenly we didn't have time to slow down."

"A valve opened on the port side determined the aged man had suffered a fracture of his left shoulder. He was taken to the Warner hospital for X-ray examinations and was admitted as a patient."

With his bride of 10 years, Mr. Cobb was returning to his home from Florida where they had spent the winter months.

### U.S. Fires Final Hydrogen Bomb In Pacific Test Series

By ELTON C. FAY

WASHINGTON (AP)—The United States has fired a final hydrogen explosion in the 1954 test series at the mid-Pacific proving ground.

A joint Atomic Energy Commission - Defense Department announcement said last night the series had been completed and "the tests were successful in the development of thermonuclear weapons."

This was much like language used at the end of previous test series and, like the previous announcements, it did not specify how many bombs had been set off. However, three previous explosions had been announced — a mighty blast on March 1, another explosion 26 days later and a third on April 6 — leaving open to speculation whether one or more than one detonation occurred after that time.

### Speculate On Timing

"Thermonuclear" is the scientist's term indicating a hydrogen explosion.

## SAYS RUSSIA HAS BOMBER TO REACH U. S.

By ROWLAND EVANS JR.

WASHINGTON (AP)—Democrats yesterday overrode Republican support of a bill designed to speed Interstate Commerce Commission action on requests by railroads and other carriers for higher rates.

The measure, sponsored by Sens. Bricker (R-Ohio), Capehart (R-Ind.) and Edwin C. Johnson (D-Colo.), was described by Democratic opponents as a "grab" by the railroads for quick rate increases. Bricker said the ICC's rate fixing processes are so slow that in-time of rapidly rising costs, some new mechanism is needed in fairness to the carriers.

Five Republicans joined 33 Democrats and the Senate's lone independent, Sen. Morse of Oregon, in the 39-37 tally by which the Senate sent the bill back to the Commerce Committee. Only two Democrats opposed the recommission motion, offered by Sens. Smathers (D-Fla.) and McNicholas (D-Okla.).

### Truck Rate Bosts

The rate bill, which had the support of the GOP leadership, would have directed the ICC to authorize quick interim rate increases without full justification by the carrier and without full hearings.

After approval of the interim increase, the ICC would then have had to make the usual investigation. If it found the interim in-

crease greater than was justified, the carrier would have had to pay refunds to all shippers and passengers charged the higher rates.

Bricker said the bill contained ample safeguards for the public.

But McNicholas said the measure did not have the approval of any executive agency or department, that it was introduced on the floor of the Senate without any hearings and that:

"The railroads have exercised one of the most powerful lobbies to get this quick-rate bill through it's ever been my displeasure to witness."

After the vote, Bricker indicated he would make no further effort this year to bring the bill back to the Senate.

Nathan F. Twining said today the new Russian heavy jet bomber, comparable in size to the huge American B52, was developed for sole purpose of reaching "important targets in the United States."

The Air Force chief of staff said in a speech prepared for an Armed Forces Day ceremony here that the Reds' medium bombers can reach "any important target in Europe or Asia or North Africa."

"They would need the new heavy bomber only to reach important targets in the United States."

Placing heavy emphasis on the recent Russian display of air power over Moscow, he said the Soviet Union now has "thousands more combat planes" than the U.S. Air Force, Navy, Marines and Army combined.

In a few days sea and air traffic may be safely resumed within the "warning area" which was set up for safety purposes for the time when the tests were taking place. Official notice to airmen and mariners will be published.

This could have been an indirect reply and assurance to the complaints abroad.

# Unbeaten Biglerville Track Team Crushes Trojans 82-36; Starner, Mauss, Koontz Shine

Biglerville High School's unbeaten track team won its sixth straight victory Thursday evening by easily defeating Chambersburg 82-36 in a dual meet on the Cannons field.

Highlights for the Cannons were the performances of Keith Starner, a triple-jumper, and Bob Mauss and Ronnie Koontz, a sophomore, each of whom won two events.

Starner won the high jump, pole vault and broad jump. Mauss hurled the javelin 180 feet 10 inches to defeat the highly-regarded Wray Bevents of Chambersburg. Mauss also won the discus.

Koontz turned in a 2:04 mark in winning the 800, one of the best times in the district this year, and captured the 440.

Next Thursday the Cannons complete their regular season when they meet Dillsburg and North York in a triangular meet at Biglerville which will start at 6:30.

# 19 SCHOOLS IN TRACK MEET

NORRISTOWN, Pa. (P)—Nineteen secondary schools from the Philadelphia suburban area will compete this weekend in the 50th annual Norristown High School Inter-scholastic and Suburban League Track and Field Meet at Roosevelt Field.

A feature of the program will be an exhibition by the nationally known Morgan State College mile relay team of Josiah Culbreath, Norristown; Herman, Wade, Pittsburg; Ollis Johnson, Philadelphia, and Jim Rogers, British Guiana.

Chester High will seek its third straight Class A championship, while Ridley Park aims for a repeat performance in Class B events. Host school Norristown has won the Class A title 10 times since the "class" system was started in 1931. Ridley Park owns 11 Class B titles.

Class A schools entered in the meet are: Abington, Cheltenham, Chester, Havertown, Lansdowne, Lower Merion, Norristown and Upper Darby.

Class B competitors are: Conshohocken, Eddystone, Media, Prospect Park, Nether Providence, Radnor, Ridley Park, Ridley Township, Sharon Hill, Springfield and Swarthmore.

The commission announced that plans now are completed and construction of a dam to hold up water covering 51 acres in Butler County will get under way by June 1.

The lake will be fed by Glad Run, a small stream with good water quality, the commission reported.

When stocked, the fishing ground will include bass, bullheads, yellow perch, sunfish and possibly some other species of game fish.

The commission said opening of the fishing facility will fulfill a need of long standing in that part of the state.

A population of a million and a quarter resides within a 25 mile radius of the lake site.

Fishing license sales there have long been high, the commission said, despite the lack of nearby fishing waters.

Seventy-five per cent of the cost of the project will be provided by federal aid. The remainder will come from a special, earmarked fund from the Fish Commission.

Fish Commission funds come solely from license fees collected from the commonwealth's anglers.

The commission listed the project as the third fishing lake provided in this manner in Pennsylvania during the past three years. Virgin Lake, in Fayette County, is another.

**Use Abandoned Farms**  
To be placed under water is an area composed of abandoned farms, much of it covered by brush, to which the commission holds title.

Access roads, parking facilities and other accommodations for the fishing public also will be constructed at the site.

The commission will keep posted on the status of the fish population of the lake, when completed, by periodical test netting and a creek census.

Directing the construction will be the commission's chief engineer, Thomas F. O'Hara.

# Foulk's Pinch-Hit Single In 7th Sparks Bullets To 4-1 Triumph Over Albright

A pinch-hit single by southpaw swinging Joe Foulk in the seventh inning to drive over three runs sparked the Gettysburg College baseball team to a 4-1 decision over Eddie Gullian's Albright College nine here Thursday afternoon as the Bullets recorded their eighth victory against but two losses.

Joe Bierly, sophomore, pitched a brilliant four-hitter for the Bullets but trailed 1-0 before the locals staged their winning rally.

Johnny Schreiber opened the seventh inning by drawing a pass. Don Annett was safe on an error. Oakie Schallick doubled home Schreiber with the tying run. Fred Alleva grounded out as both runners held their bases. Bob Swenk walked to load the sacks. Sam Shaulis forced Annett at the plate on grounding to third. Foulk then became the hero as he took King Van Nest's place at bat and slapped a single to center, all runners scoring on the hit which was combined with a wild throw to the plate.

Albright tallied its lone run in the sixth when Seaman was squeezed home on a bunt by McNeil.

Bierly got out of a tight spot in the ninth after loading the bases with none out on a pair of walks sandwiching Dragon's single. He fanned Sulyma and Conrad and then forced Stoneback to ground to Annett who tossed to Woodington for a force of DiApollito.

# McClelland Will Fight Wage Tax

WASHINGTON, Pa. (P)—Vote against the wage tax by voting for Dr. William D. McClelland, says the Allegheny County coroner.

Dr. McClelland, a candidate for the Democratic gubernatorial nomination, told 1,200 persons at a rally here last night:

"A vote for McClelland is a vote against the snoop, pilfering, un-American, unrepresentative and mis-representative wage tax."

Pittsburgh and several other western Pennsylvania communities recently enacted wage tax ordinances.

straight time in two seasons, this time to southpaw Johnny Podres, who won his fourth in a row. A six-run uprising against Gerry Staley in the sixth inning finished off the Cards' chances.

Chet Nichols, who was supposed to take up the slack left in the Milwaukee pitching staff upon the departure of Johnny Antonelli and Max Surkont, won his second game after three losses in beating Pittsburgh. He gave up eight hits, all singles.

**Braves Move Up**  
Milwaukee moved ahead of both Cincinnati and St. Louis into the first division.

The Giants laid down a home-run barrage that left the Cubs staggering in the Polo Grounds. They hit five, including two by Monte Irvin.

Home runs by New York's American League representatives ruined the evening for baseball's largest crowd of the season—30,916 at Briggs Stadium in Detroit. Trail-ing 3-1, the Yankees caught up in the eighth on Irv Noren's two-run homer and then won in the 10th when Berra parked one into the upper right-field seats with one aboard.

**A's Snap Streak**  
Inspired by a practice home run by Ted Williams, the Red Sox broke out of their hitting slump and slammed Baltimore pitching for 11 safeties. They bunched five of them, along with two Oriole errors, for six runs in the third. Williams, although dressed, was not in the playing lineup.

The Athletics used a two-run rally in the ninth to snap a six-game losing streak at the expense of the White Sox. A single by Gus Zernial and a double by Pete Suder drove in the winning runs over Virgil Trucks.

The Indians beat Washington although they went into the last of the ninth inning trailing by six runs. Al Rosen touched off the late spree with a home run and doubled in the winning run in the 11th.

# MOUNT DOWNS BALTIMORE U. IN TWIN BILL

The Mt. St. Mary's College baseball team swept a double-header from the University of Baltimore Thursday afternoon at Baltimore by scores of 4-0 and 3-2.

Warde Clarke and Paul Smith combined to hurl a two-hitter for the Mountaineers in the opening game. The game was scoreless until the sixth when the Mount tabbed three runs and added one more in the seventh.

Three runs in the first inning gave the Blue and White the 3-2 verdict in the second game.

The Mount, now 9-6 for the season, conclude their campaign next Tuesday when Towson will be met on the latter's field.

# ALLENTOWN SEIZES LEAD

By THE ASSOCIATED PRESS  
For newcomers, the Allentown Redbirds are making themselves at home in the Eastern League—in the best room in the house.

The St. Louis Cardinal farm-hands took over first place last night by edging luckless Schenectady, 5-4, while the former leaders, the Wilkes-Barre Barons, lost a doubleheader at Elmira, 3-2 and 7-3.

The twin triumphs moved the red-hoed Pioneers into second place, half a game behind the Redbirds. Elmira now has won seven straight games.

The Albany Senators came from behind to nip the Reading Indians, 5-4, in 10 innings and the Binghamton Triplets feasted at Williamsport, 8-1.

Bob Heins pitched a seven-hitter to give the Redbirds a sweep of the three-game series with the Jays. Buzz Bowers was the loser.

# Warriors Edge Chambersburg 4-2 As Hanover Triumphs To Win South Penn Loop Title

Gettysburg High School's baseball team knocked Chambersburg out of contention for the South Penn Baseball League title Thursday afternoon by defeating the Trojans 4-2 while Hanover sewed up the championship by edging Shippensburg 3-2 on the Greyhounds' diamond. Chambersburg and Hanover had been deadlocked for first place and each was favored to win its final regularly scheduled games Thursday.

A brilliant pitching performance by Elton Martin, Warrior right-hander, turned the trick for Gettysburg. He gave up five hits, all singles, whiffed three and walked three.

Coach Howard Shoemaker's outfit jumped off to three runs in the opening inning. After Danny Roth had popped to third, Cloyd Spence was hit by a pitched ball. Bobby Rohrbaugh and Sam Staley followed with singles to produce two runs. After Dick Hise kicked to second base, Eddie Kane doubled to send over Staley.

Chambersburg came back with two runs in its half of the frame. After one was out, Dick Brant singled, stole second and went to third on a wild pitch. Jack Corwell walked and stole second. Bob Jacobs singled Brant home but Corwell was out at the plate on a fine throw by Spence. Jacobs moving to second on the throw-in from where he tallied on a miscue on Mc-Morris' bounder.

The Warriors picked up an insurance run in the sixth on a double by Bobby Rohrbaugh and outfield flies by Staley and Hise.

The Trojans failed to threaten after the first inning although two runners got on in the third via a hit and walk.

As a result of the victory the Warriors now have a 3-5 overall season record with two games remaining. Monday they meet Bolling Springs, Adams County League champions, here at 3:30 and complete their season next Friday by meeting Delone Catholic at McSherrystown.

## FRENCH BEGIN AIRLIFTING WOUNDED FROM DIEN BIEN PHU

By LARRY ALLEN

HANOI, Indochina (AP) — The French began airlifting their seriously wounded troops from Dien Bien Phu today. The Vietnamese indicated they would release at least 450 of the casualties from the captured fortress.

That figure was 250 less than previous French estimates of the number of serious cases. The Communist-led rebels had reported they captured 1,400 wounded in all when Dien Bien Phu fell a week ago.

The French high command announced the first contingent of the most gravely wounded arrived about noon today at the royal Laotian capital of Luang Prabang, 115 miles to the southwest. Dakota transport planes were to rush them from there to Hanoi and other points with hospital facilities.

## 32 Expected

A total of 32 wounded were expected in Hanoi by late this afternoon.

Since only helicopters and small planes can use the war-battered, shell-pocked Dien Bien Phu airstrip, the French expected the airlifting of the 450 men to take at least two weeks. The planes could carry only one, three or six passengers each.

In the Red River delta, meanwhile, the French counted new "serious losses" after beating off an attack by 2,000 to 3,000 rebels yesterday near Phuly, only 30 miles south of Hanoi.

It was the biggest attack so far this year in the delta, the major Vietnamese target since the fall of Dien Bien Phu.

Reliable sources said that Dr. Pierre Huard, Hanoi University medical dean who flew to Dien Bien Phu yesterday to arrange the

The French Radio Hirondele said the first wounded brought out would be 250 "very serious" cases. Huard said the operation would be a "painful, slow job," made more difficult by the seasonal monsoon rains.

## 9 JURORS ARE SELECTED FOR MURDER TRIAL

WARREN, Pa. (AP) — State and defense attorneys crossed verbal swords and duelled over selection of a jury again today as Norman Moon's murder trial dragged into its fifth day with not one word of testimony on record.

Of 116 veniremen questioned, only nine have been picked to sit in judgment on the 28-year-old Connelville, Pa., construction worker charged with slaying Judge Allison D. Wade in a Warren County courtroom last Jan. 13.

Five jurors—three regulars and two alternates—must be chosen before testimony can begin. Thirty prospective jurors remain from a group of 59 rounded up from the streets yesterday after the original panel of 87 had been exhausted.

Some veniremen have been turned down by the state because they expressed unwillingness to inflict the death penalty, which the state has indicated it will seek for Moon.

But the majority have been rejected because they admitted they had fixed opinions as to Moon's guilty or innocent. The Commonwealth has several witnesses to the fatal shooting of Judge Wade.

The state charges Moon killed Judge Wade after being called before the bench to explain why he hadn't continued non-support payments to his estranged wife as ordered by the court.

## BENDERSVILLE RECEIVES ITS NEW FIRE TRUCK

Bendersville's new \$16,625 fire truck arrived in that community Thursday afternoon.

Fire company officials planned to go to Columbus, O., this weekend to secure the pumper from the Seagrave Corp.

They were surprised Thursday afternoon when a Harrisburg representative of the company drove the new truck to Bendersville at 4:30 o'clock.

More than a dozen firemen placed 1,300 feet of hose and other equipment on the new apparatus Thursday evening.

## Get Instructions Tonight

This evening and Saturday, company service men will instruct the Bendersville firemen in the use of the equipment on the new fire truck. Water may also be thrown from the new truck tonight.

Ordered last November, the truck and equipment will cost about \$19,000. In addition the firemen have purchased more than \$2,400 worth of equipment for it. Bendersville now has 3,300 feet of hose to fight fires.

The new equipment has a 750-gallon-per-minute pump and a 400-gallon booster tank. It also can provide a high pressure fog from its nozzles which permits fighting fires in which electricity is involved and also cuts down water damage.

## U. S. Paid \$6,200

The federal government is providing \$6,200 toward purchase of the new engine under Civil Defense matching funds. The remainder is being raised locally. The firemen recently raised \$5,000 in a public drive. Of that amount \$500 was given by the auxiliary.

With a festival May 29, following the Memorial Day exercises at Bendersville, and with the annual carnival August 6, 7 and 8, Bendersville firemen hope that public response and attendance at those affairs will be sufficient to provide the amount needed to pay off the indebtedness.

## COUPLE KILLED IN COLLISION

POTTSVILLE, Pa. (AP) — An elderly couple from nearby Schuylkill Haven was killed and their 7-year-old grandson critically hurt in an auto-truck collision on U. S. 122 last night.

The only other occupant of the car—a younger grandson—escaped serious injury.

Killed were Mr. and Mrs. Roy Meek, about 65. They were out for a drive with their two grandsons, Roy Meek, whose condition is critical at Pottsville Hospital; and David Schimmel, 5, who was discharged with minor bruises.

The truck driver, Eugene Newman, 34, of Berwick, told state police the Meek car "popped out" of a side road while he was traveling from Bloomsburg to Reading. He said the collision was unavoidable. Newman was unhurt.

Mrs. Milton Tipton gave \$10 from the Women's Club of Gettysburg, and Mrs. Glenn Simpson, Church of the Brethren, filled the request for eight bureau scarfs for use in the men's building.

Reporting on the needs of the County Home committee, Mrs. Blaine Hughes said mattress covers will be delivered within the next three weeks and announced that the authorized electric sweeper has been purchased and delivered to the home. Redecoration of the dining room of the men's building was authorized. It was also made known that the Gettysburg Elks have donated a 21-inch television set to the men's building.

## Need More Readers

Mrs. Dale Lawver told the Auxiliary that on April 29, a group of 25 guests of the Home were taken on a 50-mile bus tour of the Apple Blossom Trail. Treats of ice cream, pretzels and candy were given by women of the Auxiliary.

Mrs. J. P. Dalby reported that magazines have been distributed at the home and Miss Elsie Garlach, chairman of the reading committee, said there is still a

need for additional readers for the blind and others unable to read for themselves.

Mrs. Ira Henderson, activities chairman, said the Annie Danner Club surprised the guests on Easter morning with decorated tables, quantities of fresh fruit and favors. The Fifth Grade of the Arendtsville School made and sent Easter cards to each of the guests, and the Biglerville Brownies constructed favor carts filled with candy for each of the guests.

Priests and ministers continue to make regular visits and services by different denominations are conducted each Sunday, Mrs. Henderson stated.

Birthday parties during April were held by the New Oxford Garden Club and Beta Sigma Phi. Seven guests with birthdays in April were gifted by the New Oxford group, while ice cream, cake, candy, and fruit were given by both organizations.

During April the Women's Christian Temperance Union made its semi-annual visitation and distributed bananas, oranges, cake and candy. The Women's Community Club, of Littlestown and vicinity contributed \$15 to the Auxiliary for the Home. The May general birthday party will be given by Class 43 of the St. James Lutheran Sunday School.

be given. Dinner preparation, serving of the meal and clean-up are scheduled from 11 to 12:30 o'clock, with inspections during that period.

## Time For Camp Reservations

An archery demonstration is listed from 12:30 to 1:30 o'clock Sunday afternoon and the scouts will break camp from 1:30 to 2:30 o'clock with the final inspection of the camporee to be held at that time. The final retreat is listed for 2:30 to 2:35 and the camp will close at 2:45 o'clock. Scouts meeting the requirements will be presented with camporee medallions.

In connection with camping this year, scout officials urged Black Walnut scouts to send in their reservations for Camp Tuckahoe, the scout camp near Dillsburg, as quickly as possible, because enrollments are already nearing a new high. So far 476 scouts have enrolled. During last summer attendance at the camp during the entire summer was 662 boys. Enrollment for the weeks of July 11 and 18 has closed at capacity. Conewago District already has 110 scouts enrolled for camping at Tuckahoe. Last year a total of 76 Conewago District scouts were encamped there. The camp can accommodate 235 boys a week for the six-week season beginning June 27.

Charles Eurich of Troop 38, Dillsburg, will staff the first aid station at Tuckahoe and Dr. John R. Miller of Dillsburg will be camp physician. Among the kitchen staff will be James Brady of Abbottstown.

self the title of "the best shoemaker on York St. for 30 years," was married a year and a month after he came to Gettysburg. The ceremony was performed June 14, 1925, in Baltimore and his bride was the former Ethel Heyman, also a Lithuanian by birth. Both have since become naturalized citizens of the United States.

They have two children—a son and a daughter—and one three-year-old granddaughter.

Mr. Lock has never employed any extra help. "It's a one-man shop but we work here together," Mrs. Lock said. Mr. Lock says he believes the "first 30 years were the easiest" but has no plans for retiring. Both he and Mrs. Lock expressed their appreciation to the hundreds of customers they have served in the last 30 years.

Mr. Lock came here from Harrisburg where he was in the shoe repair business for about 10 months. He liked Gettysburg, brought his bride here a year later and sums it up with these words: "This is my life, here in Gettysburg."

## ACCUSE REDS ON COMMISSION OF INTERFERING WITH POLICING

MUNSAN (P)—Swiss and Swedish members of the Neutral Nations Supervisory Commission have accused the Communist Czech and Polish members of blocking "satisfactory" policing of Red-held North Korea.

In a letter to the U.N. Command, the Swiss and Swedes said they "decline any responsibility for the state of affairs resulting from the noncooperation of Czechoslovak and Polish colleagues."

The letter answered one from the U.N. Command accusing the Reds of preventing investigation of U.N. charges that the Reds are violating the Korean armistice by bringing men and equipment into North Korea. Under terms of the truce each side may replace, but not build up, men and supplies in Korea.

## Utilities Ask FPC For Gas Franchise

SCRANTON, Pa. (P)—Utilities are attempting to introduce natural gas into Luzerne County—the heart of the distressed hard coal region—according to the Anthracite Institute.

In its monthly bulletin, the Institute said the Kingston District of the Luzerne Electric and Gas Division of the United Gas Improvement Co. and the Pittston Gas Co. were seeking approval of the Federal Power Commission for allocations of natural gas. The allocations, the Institute said, would be used to convert Wyoming Valley communities from manufactured to natural gas service.

Some 10,257 gas customers are served by the Kingston Division and 3,865 by the Pittston concern. If the proposal gets FPC approval, the Institute said, a double threat to anthracite production would result in that tonnage would be displaced in the manufacture of gas.

the rotation of soldiers and war materiel into both North and South Korea.

The letter to the U.N. Command was signed by Swedish Maj. Gen. Paul Mohn and Swiss Brig. Gen. Ernst Gross.

The two neutrals called for a new look by the Military Armistice Commission at the "whole problem of supervision and especially of investigations concerning alleged violations of the armistice agreement."

The first execution in an electric chair was in August 1890 in Auburn prison, New York.

# FAMOUS FRENCH DOCTOR SENT TO AID WOUNDED

HANOI, Indochina (P) — The French flew one of Indochina's most eminent doctors to Dien Bien Phu Thursday to arrange for speedy release of French Union troops seriously wounded in the long defense of the fallen fortress.

French officials hoped the mass airlift of casualties from the Vietminh-held valley 175 miles west of Hanoi would start tomorrow.

They anticipated it would bring

out about 700 men — half of the 1,300 to 1,400 estimated wounded. The Communists agreed at the Geneva conference to release only casualties in the "serious" category.

Dr. Pierre Huard, 62-year-old dean of medicine at the University of Hanoi, headed the group going to Dien Bien Phu by helicopter.

Coolies Ready Airstrip

The French anticipated Huard's mission would be quickly successful. French air force observers reported hundreds of coolies already were readying Dien Bien Phu's airstrip to receive the big French transports, filling in the trenches and shell holes which wrecked it during the 56 days of rebel attack.

Huard's party took off from

## Corsair Bombers In Use In French War

HANOI, Indochina (P) — The French sent their newly supplied American Navy Corsair fighter-bombers today into the widening aerial assault upon the 70,000 Communist-led Vietminh troops inside the defense area of the Red River Delta.

B26 bombers, aided by Privateers and Corsairs, hammered regular Vietminh troop concentrations and occupied villages and their hideouts in limestone hills around Phully, 30 miles south of Hanoi.

The warplanes flew more than 40 missions, hitting hard at Vietminh regulars who are spearheading attempts in the Delta to smash vital lines of French communications, key defense posts and possibly pave the way for an eventual major attack by Vietminh troops moving from the fallen fortress at Dien Bien Phu.

### SUSPENDED SENTENCE

PHILADELPHIA (P) — Howard A. Patterson of Chester, was given a nine months' suspended sentence yesterday in U.S. District Court after pleading guilty to a charge of making false and fraudulent statements and collecting illegal benefits under the Railroad Unemployment Insurance Act.

Patterson promised Judge George A. Welsh he would make restitution of \$1,060. He was placed on three years' probation.

Patterson's Chester address was listed as 510 W. 2nd St.

Doctors and nurses were mobilized in Hanoi to staff the Dakota transport planes which will bring out the wounded. Most of them were to be brought to Hanoi.

The wife of Brig. Gen. Christian de Castries, commander of the Dien Bien Phu garrison, arranged to fly to Luang Prabang today in hopes of word of her husband when Huard returns. The Vietminh radio has announced only that De Castries was captured when the fortress fell; there has been no word if he was wounded.

## ARMY REPORTS NEW CLINICAL THERMOMETER

WASHINGTON (P) — Development of a new clinical thermometer described as more accurate and much faster than present mercury type was announced Thursday by the Army.

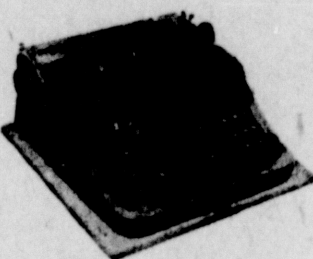

The surgeon general's office said the new electronic device, called "Swiftem," represents "the first change in clinical thermometers since the mercury column type was introduced in 1867."

The developer was Col. George T. Perkins, a native of San Antonio, Tex., who is director of the dental division of the Army Medical Service graduate school at Walter Reed Hospital.

Col. Perkins said in an interview the instrument could record temperatures by remote control, and that he envisions "having all the beds in a ward wired so that patients could place a thermometer under their tongues or arms and a nurse at a distant part of the ward could read their temperatures off

## Charge POWs Moved By Reds To Russia

MOSCOW (P) — The Soviet government revealed Thursday that the United States has charged American war prisoners from Korea have been transferred to Russia. The Soviets said they had rejected the charge as "clearly invented."

The announcement in Moscow papers said the United States made the claim in a note delivered to the Soviet Embassy in Washington May 5.

(The Soviet statement was the first announcement of the American note. Confirming its delivery, a State Department spokesman in a meter.)

Thermometers now in common use depend upon the expansion of mercury when heated to get a temperature reading.

The new device uses metals whose ability to conduct an electric current varies according to temperature—that is, the higher the temperature, the lower their electrical resistance.

## REDS SAY THEY "KNOW" ABOUT COBALT BOMB

MOSCOW (P) — The armed forces newspaper Red Star said Thursday Soviet scientists know all about the cobalt bomb and that its explosive effects would not be as devastating as "the imperialists" would have one believe.

Red Star has been publishing a series on the composition and effects of the atom and hydrogen bombs. Today's article on the C-bomb—an H-bomb encased in cobalt metal which would be turned into dust giving off death-dealing X-rays—was written by Lt. Col. A. Sedov of the Soviet army engineering school.

Washington said he did not know who the prisoners were or how many were involved. He indicated the text of the U.S. note would be made public later today.)

neers.

Sedov charged the imperialists were trying to frighten the world with talk of the C-bomb.

After dealing at length with the technicalities of the C-bomb, the article concluded: "The aggressive forces in the imperialist states, aiming to start a new war by employing the means of mass extinction, are attempting to utilize the ability of neutrons to induce radioactivity for strengthening the destructive properties of atomic and hydrogen weapons. It is with this aim that foreign reactionary circles raise a fuss about a so-called cobalt bomb."

## The "Stranger" Everyone Knows!

The big car eases out from the boulevard and comes to a soft, silent stop. A man steps out from behind the wheel and heads for his destination.

The license plate reveals him to be a person from another state—a "stranger," so to speak.

But the golden crest on the hood of his motor car tells everyone something about him. For it is the famous crest of Cadillac—and no man is wholly a stranger, wherever he be, when he drives this distinguished car.

Any owner can tell you, out of his own personal experience, that a Cadillac is a virtual "letter of introduction" for the man who sits at its wheel.

He becomes, in a sense, the "stranger" everyone knows—a member of the most distinguished motoring fraternity in all the world.

This priceless aspect of Cadillac ownership is but

one of the many rewards which come to the owners of Cadillac cars.

In fact, it might even be considered an extra dividend—for it comes in addition to the car's great and distinguishing beauty . . . its brilliant and inspiring performance . . . its magnificent comfort and luxury . . . and its remarkable economy of operation.

As a matter of fact, it would be a formidable task to recite even a basic portion of Cadillac's cardinal virtues for 1954—for the car is superlative in every respect and has been markedly advanced in every phase of appearance and operation.

Of course, it would take only an hour on the highway to understand what it all means in terms of pleasure and satisfaction—and that's why we suggest that you come in and see us—soon.

Why not make it today?

## NAVARRE PLAN IS WRITTEN OFF FOR INDOCHINA

By JOHN M. HIGHTOWER

WASHINGTON (AP)—The Navarre plan, upon which the American and French governments once based their hopes for winning the Indochina war, now has been quietly written off by authorities here.

French officials also indicate they feel the plan has little pertinence since Dien Bien Phu. That French Union fortress fell after the Communist-led Vietnamese came out in the open to fight.

One of the Navarre plan's main assumptions had been that the Vietnamese would continue guerrilla tactics.

**Was To Take Two Years**  
Developed about a year ago by Gen. Henri Navarre, French commander in Indochina, the plan called for training of scores of new native battalions. Use of these battalions for police duties would free French, North African and Foreign Legion troops for combat duty.

It was hoped this would achieve control over the Reds within about two years.

By promising an eventual end to the Indochina war, the plan formed a basis for obtaining additional American help in military equipment to finish the job.

**Situation Changed**  
It has been swept away chiefly by the Communist's action in recent weeks making the Indochina war into what is now regarded here as a new kind of conflict.

The Vietnamese demonstrated at Dien Bien Phu that they have the training, equipment and will to fight standard military operations on a relatively large scale.

U.S. officials familiar with the Indochina fighting say that Chinese Communist military supplies and training — reinforced by Soviet ideas, technical assistance and equipment — changed the nature of the fight. In addition they are concerned over certain reported weaknesses on the French and native side.

## Ava Gardner Is Taken To Hospital

MADRID, Spain (AP)—Movie actress Ava Gardner was taken to a Madrid hospital today suffering great pain from a kidney stone, attending doctors said.

Miss Gardner and her sister, who have been visiting Madrid for several weeks, were to have left tonight by plane for New York. The actress is supposed to be in Hollywood Monday to start work on a film.

Her departure now has been tentatively set for Tuesday but the doctors said this depended on whether they are able to extract the stone without having to operate.

## WILL OBSERVE

(Continued from Page 1)  
There were 1,341,623 persons and 43,528 newborn infants in the nations' hospitals.

**Patients Pay Less**  
Financially, hospitals spent \$4.7 billion to care for 20.1 million patients and 3.1 newborn infants during 1953. During 1952 the figures were \$4.4 billion for 19.6 million patients and 3 million newborns. Total payroll of hospitals for 1953 was \$2,987,265,000 covering 1,168,564 employees. Total assets of all hospitals amount to \$10,320,709,000.

In non-profit hospitals, like the Warner hospital, patients paid \$1.60 per day less in 1953 than it cost the hospital to care for them. In 1952 patients paid \$1.45 less per day than the actual cost.

The Association estimates that one out of every eight persons in the U. S. will be admitted to a hospital this year.

In a tip for a questioner in the audience, Miss Linehan told how to bake a "perfect meringue." In baking meringues," she advised, use a gentle and slow heat so the egg whites will stay set. Have the oven at 300 degrees, use one tablespoon of sugar to each egg, sprinkle a little salt on the whites before they are beaten and drop with a spoon into a pan of hot water. Eggs should be at room temperature before they are beaten.

In darkness. Firefighters were forced to work by the light of 20 generator-powered floodlights.

William Lamparter, Franklinton, owner of the plant, estimated loss at \$200,000, of which \$150,000 represented merchandise and machinery and \$50,000 the value of the building, according to Fire Chief R. E. Harbold of Franklinton. Insurance was reported to cover about a fourth of the loss. Lamparter also owns a factory in Mechanicsburg.

The Shenandoah Floral plant, a three-story brick and cinder block structure approximately 250 feet deep, manufactures baskets and employs approximately 25 persons. Employees will be shifted to the Mechanicsburg plant.

### Water Relayed

Homes saved were those of Irving Stough, Mrs. Paul Grove, and Mrs. Ada Hoffman. Furniture was moved from all three homes. Only water damage and some heat charring resulted to the structures.

A Dillsburg Fire Co. pumper pumped water from a small stream at the foot of the hill a half mile from the plant, relaying it through the York Springs pumper to Franklinton firemen.

Sunday, 7:30 a.m. and 10 a.m., masses, and a class of children will receive their first Holy Communion at the 7:30 mass. The annual May procession, in which the children of the school will participate, and one of them from the lower grades, will crown a statue of the Blessed Mother with a floral wreath, as Queen of the May, will take place in either the afternoon or evening on Sunday. The exact time will be announced at the morning masses by the pastor. Devotions in honor of Our Lady of the Miraculous Medal will be held in connection with procession. Members of the parish are invited to attend the presentation of a Marian Year pageant at Delone Catholic High School, McSherrytown, tonight at 8 o'clock and on Sunday at 2 and 8 p.m. There is no admission. Daily mass, 8 a.m., with Holy Communion distributed outside of mass at 7:15 a.m. each school day. Thursday, 8 p.m., a plastic demonstration will be held in the school hall, under the sponsorship of the Parish Council of Catholic Women, to which members and their guests are invited, and Mrs. Marianna Trone will give the demonstration.

## PREPARE MANY FINE DISHES AT COOKING SCHOOL

The following dishes were prepared and explained at Tuesday night's cooking school in St. Aloysius School Auditorium, Littlestown, sponsored by The Gettysburg Times:

### HOLIDAY BANANA TEA BREAD

1 1/2 cups sifted flour  
1/2 teaspoon baking powder  
1/2 teaspoon baking soda  
1/2 teaspoon salt  
1/2 cup shortening  
2/3 cup sugar  
2 eggs well beaten  
1 cup mashed bananas (2 or 3 bananas)  
1/2 cup walnuts or pecans (broken)  
1/2 cup finely cut candied pineapple  
1/2 cup finely cut candied cherries  
1/2 cup finely cut candied citron  
1/2 cup finely cut candied orange peel  
1/2 cup raisins  
Use fully ripe or all-yellow bananas

Sift together flour, baking powder, soda and salt. Beat shortening until creamy in mixer bowl. Add sugar gradually to shortening and continue beating until light and fluffy. Add eggs and beat well. Mix in nuts, pineapple, cherries, citron, orange peel and raisins; add flour mixture alternately with bananas, a small amount at a time, mixing after each addition only enough to moisten dry ingredients. Turn into well-greased loaf pan (8 1/2 x 4 1/2 x 2 1/2 inches) and bake in a moderate oven (350° F.) about one hour, 10 minutes or until bread is done. Makes one loaf.

### QUICHE LORRAINE

Line a nine-inch pie plate with rich pastry. Cut six slices of lean bacon half. Sauté until lightly brown; drain on absorbent paper. Cut 12 thin slices of Gruyere cheese about same size as bacon. Cover the pastry, overlapping layers of the cheese and bacon. Beat four eggs with two cups light cream and a pinch of salt, and strain over the bacon and cheese. Sprinkle two tablespoons butter (broken into small bits) over the eggs and cream. Bake in a 375° F. oven for about 40 minutes, or until custard is set (when silver knife inserted in center comes out clean) and the top is brown. Serve warm. May be made into hors d'oeuvre size.

### "LIVER PINEAPPLE"

Saute one lb. chicken, beef, pork or lamb's liver (with a little minced onion) in butter over the liver pineapple, and cook slowly (so as not to brown). When tender, drain and cool, then grind (fine blade). Grind into the liver mixture four or five hard cooked eggs. When thoroughly chilled, mold (with hands) into the shape of a pineapple. Put a thin coating of mayonnaise over the liver pineapple, and stick on slices of stuffed olives to represent the rough skin. For the green top, try to get parsley or chervil. Serve on a nice platter, surrounded by small crackers and butter spreaders. A "Colonial Doll" may be made from this same mixture.

Make as you would the Liver Pineapple, then shape into bite-sized balls. Roll each ball in either rice or egg yolk or rice egg white. Nice to have some of each.

### LIVER BALLS

### KNISHES

1 cup cooked beef  
1 cup cooked chicken or turkey  
1/2 cup melted butter  
2 medium-sized onions  
Grind all together and add salt and pepper to taste. Add one egg and mix well.

**PASTRY:**  
3 cups flour  
1 1/2 cups shortening  
1 egg  
Mix in only enough cold water to make stiff dough. Roll dough very thin. Brush over with melted butter or chicken fat. Put in meat filling and roll as you would for a jelly-roll. Make the meat roll about the circumference of a half dollar. Brush over the roll with egg wash and bake in a 400° F. oven until a golden brown. Cut in diagonal pieces about an inch and a half long. Serve very hot.

### BASIC CAKE RECIPE

1 1/2 cups sugar, 1 cup butter (cream well)  
4 eggs—add one at a time, beating after each addition  
1 teaspoon vanilla  
1 cup milk—alternate with the following dry ingredients which have been sifted together:  
2 cups flour  
1/2 cup salt (sifted two or three times)

**PTA TO MEET**  
The Parent Teachers' Association of the Littlestown Joint School System will hold its monthly meeting on Tuesday evening at 8 o'clock in the auditorium of the high school building.

### JAYCEES MEET MONDAY

The second May meeting of the Littlestown Junior Chamber of Commerce will be held Monday

### 3 teaspoons baking powder

Bake in greased layer cake pans for approximately 30 minutes in 350° F. to 375° F. oven—depending on size of pan.

### CREAM PUFFS

1 cup boiling water  
1/2 cup butter  
1/2 cup flour  
1 1/2 teaspoon salt  
4 eggs

Let the butter melt in the boiling water. Add flour and salt and stir vigorously until ball forms in center of pan. Remove from heat and let stand five minutes. Add eggs, one at a time, beating well after each one. Mixture should be quite stiff. Shape on greased cookie sheet by dropping from teaspoon, or by using pastry bag. Bake 40 to 45 minutes in a 375° F. oven or until puffs are free from drops of moisture. If you are making hors d'oeuvre size puffs, they will cook in less time. Makes 16 large puffs and approximately 48 small puffs.

### FILLING FOR CREAM PUFFS

Hors d'oeuvre size: Fill with all sorts of salad mixtures after puffs are cold. Swan Puffs: Make regular sized cream puff shells. Then make some necks by squeezing the paste through a pastry bag using a plain tube. (Make a letter S.) Cook separately as they cook quicker than the puffs. Fill necks with a puff and you have a swan. King's Syrup may be dripped over top before serving.

### CREAM ST. HONORE

(To be used in Puff Shells, Crown Mold or Swans)

1/2 cup sugar  
4 egg yolks  
1/2 cup flour  
1 1/2 cups milk, scalded  
1 teaspoon vanilla

Mix sugar and egg yolks in a saucepan, working them together with a spoon until creamy and light in color. Add flour, mix just enough to blend. Gradually add the scalded milk, stirring until well blended. Cook over a low flame, stirring vigorously, until the cream reaches the boiling point. But do not let it boil. Now add salt and vanilla. Strain through fine sieve. Stir the cream occasionally as it cools to prevent a crust from forming. (Softened one tablespoon gelatin in two tablespoons cold water and stir it into three cups of the hot cream filling.) Beat six egg whites until stiff but not dry, and beat in gradually 1/2 cup sugar. Fold this meringue into the cream.

## Legion Bringing Circus On Tuesday

The Ocker-Snyder Post No. 321, American Legion, will sponsor a circus for the benefit of the community ambulance fund on Tuesday. Vos Brothers Circus will be presented on the Kingsdale firemen's carnival grounds, with an afternoon performance at 3 p.m., and an evening presentation at 8 p.m.

The first May meeting of the Legion was held on Thursday night at the post home, E. King St., when it

evening, 6:30 p.m., at Schott's Hotel.

was reported that \$160 was profited from the recent minstrel show. The minstrel was presented for the benefit of the ambulance fund, which is still \$800 deficient. It was announced that the minstrel will be given for the veterans at the Coatesville veterans hospital on a date to be decided upon. The post made plans to participate in the community Memorial Day parade and services on Friday, May 28. The next meeting of the Legion will be held on Thursday, May 27.

## CLAIMS STEVENS NEVER TRIED TO BLOCK PROBE

WASHINGTON (AP) — Army Counselor John G. Adams has denied that Secretary of the Army Stevens was instructed him to try to halt the McCarthy subcommittee's investigation of alleged security risks at Ft. Monmouth, N. J.

And he never made any attempt to halt it, Adams declared.

Testifying for his second day at Senate hearings on the row between Sen. McCarthy and Pentagon officials, Adams also said he and Stevens never had any discussion of the secretary's difficulties with McCarthy prior to Adams' becoming Army counselor last Oct. 1.

This testimony bore on two principal charges from Sen. McCarthy to halt it, Adams declared.

The McCarthy camp contends that the present roaring controversy

stemmed from attempts by Stevens to shut off the subcommittee's inquiry into Communists in the Army, and that Adams was employed "for the principal purpose of 'handling the committee' and persuading it to cease its investigation . . ."

**No Problem Hinted**  
Adams, under stern cross-examination by Special Counsel Ray H. Jenkins in the 16th day of the hearings, testified that Stevens, in hiring him, didn't even indicate the Army had a problem with the McCarthy subcommittee.

Jenkins wanted to know if Stevens hadn't told Adams the McCarthy inquiry into alleged subversion in the Army was "embarrassing to him (Stevens)."

"He did not, sir," replied Adams.

Jenkins asked whether Adams didn't know he had been employed as "sort of a diplomat, a peace-maker, a go-between" to handle the Army's relations with McCarthy.

"I didn't know that then and I don't know it now," Adams replied.

He added that relations with the McCarthy subcommittee, as with

other congressional committees, were part of his duties but were not the "primary" reason for his employment.

**Denies Senator's Charge**  
Turning to the McCarthy investigation of the Army radar laboratories at Monmouth, Jenkins asked whether the Army had suspended any employees as poor security risks before Sen. McCarthy began his inquiry in August and September of last year.

Adams denied it was true, as contended by McCarthy, that alleged security risks at the laboratories were suspended only because of the McCarthy subcommittee inquiry.

"I think, sir, that is not so," Adams told Jenkins.

He said that Stevens had ordered a special FBI investigation of Monmouth early in the summer of 1953, shortly after a new White House executive order dealing with loyalty and security cases in government.

**Fired Before Probe**  
This was long before the McCarthy committee started its inquiry, Adams said. He added that one employee was suspended Aug.

## Ask Accounting On 55 From N. Koreans

PANMUNJOM (AP)—The U. N. Command has asked for the return of an accounting of 55 foreign nationals, nine of them Americans, last reported held by the Communists in Korea.

The U. N. said 31 of the 54 men and women were members of the clergy, including Roman Catholic and Anglican missionaries.

19, and six more in the latter part of September.

So far as he knew, Adams said, the McCarthy committee started hearings on Monmouth late in October.

He said the McCarthy subcommittee had hearings in New York in August but they dealt with other parts of the Army and not with Monmouth.

Adams was under cross-examination at this stage. Jenkins, who takes a dual role first as direct examiner and then as cross-examiner, did all the questioning yesterday.

**Favored Schine**  
Under that questioning, Adams

detailed his part in the bitter dispute between the Army and McCarthy over alleged "pressures" in behalf of former committee consultant G. David Schine.

He testified that Sen. McCarthy and Roy M. Cohn, general counsel for the McCarthy subcommittee, badgered him for favored Army treatment for Schine, wealthy New Yorker who had an unpaid post with the subcommittee before he was drafted last November.

## TWO YORKERS ON PROBATION

HARRISBURG (AP) — Two York men Thursday were placed in five years probation by U. S. District Court on separate charges of fraud and misrepresentation.

Andrew W. Boitel was sentenced by Judge Frederick V. Folmer for cashing 10 worthless checks in the York area while representing himself as an employee of the U. S. Naval Ordnance Plant in York.

Millard F. Dinges, 32, was sentenced for attempting to defraud the Western Union Co. through manipulating telegrams. Dinges identified himself to the company as Leonard Whitlock from Virginia.

Before that Dinges had sent a

telegram to a bank in Virginia where Whitlock had an account asking that a money order be sent to Whitlock at York. Last week he pleaded guilty to devising a plan to defraud Western Union.

Dinges' attorney, Russell Griest, York, told the court that Dinges and Whitlock had been convicted previously in York on a false check charge.

### 900 JAPS DROWN

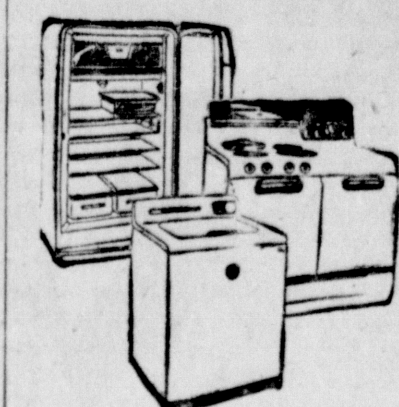

TOKYO (AP)—Perhaps 900 Japanese fishermen drowned in a tremendous cyclonic storm which slashed across northern Japan and offshore fishing grounds Sunday, the newspaper Asahia said Thursday.

The men were crewmen on 108 boats which capsized or vanished in the raging storm, Asahi said.

**RAPS HEARING**  
ATLANTIC CITY, N. J. (AP) — Harry S. Truman has labeled the current Army-McCarthy hearings "the most disgraceful thing that ever happened to the Senate."

ADVERTISE IN THE TIMES

## LANIEL WINS BY 2-VOTE MARGIN BUT HIS DAYS ARE NUMBERED

By HARVEY HUDSON

PARIS (AP)—Premier Joseph Laniel and his top military advisers faced up to major questions on Indochina policy today, supported only by a two-vote majority in the National Assembly which indicated prompt ousting of the government as soon as the Geneva conference ends.

The 289-287 margin by which Laniel won an Assembly vote of confidence last night showed clearly the deputies would have booted the Cabinet out had they not feared a government crisis would suspend the Geneva talks with the Communists on Indochina and Korea.

It appeared that only a major victory over the Communist-led Vietnamese rebels—at the conference table in Switzerland or on the battlefield in Indochina—could save Laniel once the Geneva talks were over. Neither victory was expected.

No Conscription Sent

The major item on the government's schedule today was a meeting of the Committee on National Defense, made up of top military and civilian officials. Laniel warned the Assembly the committee would have to consider the making of important decisions.

Laniel gave the Assembly no hint of the nature of these, but informed sources said later they involved proposals to send draftees to Indochina and possibly to extend the 18-month conscription period for certain categories.

Up to now, no conscripts have been sent to Indochina in the seven-year war against the Communist-led rebels. Any decision to send them there would certainly raise a howl throughout war-weary France.

Sending More Planes

In theory the government has the right to send conscripts to any noncombat area—to Saigon, for example, but not to Hanoi. Draftees sent to noncombat zones could free professional troops for the fighting fronts.

But in reality no government could risk such a move without consulting Parliament, where many deputies are more interested in peace than in continuation of the unpopular Indochina war.

Laniel told the Assembly that more troops, paratroopers, bombers and tanks were being sent to Indochina and that two cruisers have been dispatched to the Gulf of Tonkin.

## COSTELLO IS GUILTY AGAIN

NEW YORK (AP)—Gambler Frank Costello, convicted of federal income tax evasion, faces a possible maximum penalty of 15 years in prison and a \$30,000 fine.

Costello appeared on the verge of tears last night when the jury foreman intoned "Guilty." He had been out of jail less than seven months.

The 63-year-old defendant, who allegedly headed a national underworld syndicate for years, paled and buried his face in his hands. Trembling, he lighted a cigarette.

During the wait for the verdict he had put on a show of cheerfulness, bantering with newsmen and friends about baseball.

Costello was released last Oct. 20 from the Federal Correctional Institution at Milan, Mich., after serving 14 months of an 18-month sentence for contempt of the Kefauver crime investigating committee when he refused to answer several key questions and twice stalked out of hearings.

The Italian-born Costello—whose gravel voice grated the ears of millions during the televised Kefauver hearings here in 1951—also faces deportation proceedings.

## PUBLIC SALE OF VALUABLE REAL ESTATE LITTLESTOWN, PENNA.

On Saturday, May 29, 1954, at 2:00 p.m., D.S.T., the undersigned will offer at public sale on the premises, known as the Harry F. Blocher Estate property at 24 West King Street, Littlestown, Pennsylvania, the following real estate:

PARCEL 1: The Residence Portion, consisting of the front portion of the lot which is improved with a large 2 1/2-story brick residence containing about 13 rooms, with all conveniences.

PARCEL 2: The Charles Street Portion, consisting of the rear portion of the lot and improved with a livery stable building and blacksmith shop building.

The above two parcels will be offered separately and as a whole. The entire lot of ground has a frontage along the South side of West King Street of about 40 feet and runs back about 259 feet to Charles Street at the rear. A public alley adjoins this lot on the West and the lot on the East is owned by Samuel Harnish.

Terms and conditions will be made known at time of sale.

Anyone desiring to inspect the premises should contact John L. Redding, Redding's Barber Shop, Littlestown, Pennsylvania.
